News For You

Your bill reflects the lower delivery rates that were in effect in June 2020. As a result of a decision from the Public Utilities Regulatory Authority (PURA), the July 1 rate adjustment has been temporarily suspended. We encourage all customers to look at their energy consumption during the ongoing pandemic and summer weather. For questions, or to learn more about ways to lower your energy use and bills, please contact us at 800-286-2000 or visit Eversource.com.

Remit Payment To: Eversource, PO Box 56002, Boston, MA 02205-6002

Explanation of your charges

*The Combined Public Benefits Charge represents a combination of three charges formerly know as: Conservation and Load Mgmt Charge, Renewable Energy Investment Charge, and Systems Benefits Charge. This charge also includes the Conservation Adjustment Mechanism approved by the Public Utilities Regulatory Authority in Docket No. 13-11-14.

**Effective January 1, 2007, the Generation Services Charge (GSC) and the Bypassable Federally Mandated Congestion Charge (BFMCC) have been combined into the "GSC Charge" listed in the Supplier Services section of your bill. The GSC reflects all of the cost of procuring energy from Eversource wholesale suppliers. The BFMCC portion of this line item is -\$0.00070 / kWh. If you multiply this BFMCC rate by the number of kWhs on your bill, you can calculate the dollar amount associated with the BFMCC.

***Electric System Improvements: Recovers company investments that protect, strengthen or modernize the electric grid.
